

TRINIDAD 23 YEARS CASK STRENGTH | SINGLE CASK

Distillery: Caroni

Alcoholic content: 53.1% Alc./Vol. – 700 ml

DESCRIPTION

Caroni distillery, held by the state of Trinidad and Tobago, closed down in 2002. After 84 years of experience, it leaves column stills, pot stills and some barrels ...

Caroni rums are known to be atypical, tarred, wooded and smoked.

TASTING NOTES

Nose: elegant yet powerful, some vegetal notes, with some sweetness and dry plums definitely some phenolic character

Taste: dry and spicy, with a round middle mouth, burnt flavor comes to sublime roasted pineapple and some cashew nuts

Finish: as expected for a cask strength, the finish is very long and surprisingly refreshing with some roasted fruits flavours. A real Caroni cask but which has kept his elegance
