## DESCRIPTION

From the legendary closed distillery in Trinidad, these bottles are very rare and sought after by collectors worldwide! Caroni rums are notable for their distinctive heavy profile with aromas of oil and tar, this bottling is no exception to the rule!

## TASTING NOTES

**Nose:** 100% Caroni with notes of hot tar, slightly peated and malted, and liquorice (ZAN), but also easier notes of patchouli, rose and geranium.

**Mouth:** Sweet and fruity like a mirabelle clafouti then quickly evolving to BBQ aromas, peat, and toast.

**Finish:** It feels like having licked the asphalt after an American muscle car. It's long, very long lasting and heavy, the bitterness and the spices are also very present.
