## TASTING NOTES

**Nose :** Very ripe fruits, flambéed banana, jackfruit, very ripe mango, a vegetal, roasted side and extremely present esters, very perceptible on the nose.

**Mouth :** Fruity, banana and, a very pronounced mango flavour, like a mango-banana smoothie. There is a pleasant creamy side with a smoothness in the mouth, a little burnt and roasted touch, spicy with Sichuan pepper.

**Finish :** Acidic and full-bodied
